## LIVING WITH STYLE

In any room, nothing expresses your personal style more beautifully than custom upholstered Seating. Whether your taste runs formal or casual ... traditional or contemporary, Lexington Upholstery offers you limitless possibilities in frame styles, Seating options, luxurious fabrics, sumptuous leathers, and custom decorative trims.

Discover the art of self expression as you create custom pieces  
that reflect your own signature style!

Notice the details...each distinctive piece is thoughtfully scaled and individually crafted to offer you a lifetime of enjoyment. Our Personal Design Series allows you to customize virtually every aspect of the design. Our Final Touches Program allows you to apply contrasting fabrics, decorative welts and trims, and custom finishes - all at no charge. Our popular Quick Ship Program offers you exceptional value and expedited delivery on our best-selling frame and fabric combinations.

Here in this catalog is where your journey begins. The contents on page 5 will serve as a guide. If you prefer an interactive approach, we invite you to visit our web site at [lexington.com](http://lexington.com). There you will be able to shop all of our frame styles, fabrics, leathers and trims. There is also an application that will allow you to digitally drape any of our fabrics or leathers on any frame. It's a great way to take the guesswork out of creating a look that is just right for you.

# final touches

The **Final Touches Custom Options Program** is a collection of 13 custom options that can be selected (where applicable) to any piece of furniture at **NO CHARGE**. A consumer may choose any combination of no charge options to create their own unique Final Touches to their upholstery selections.

## NO CHARGE OPTIONS on Custom Upholstery

Choose any combination to create your unique custom upholstery:

### Contrast with FABRIC ... using any fabric Grades 1-2-3-4-5

- on both sides of standard throw pillows
- on one side of standard throw pillows
- on Seat cushions
- on Back cushions

### Contrast with WELT ... using any fabric Grades 1-2-3-4-5

- on standard throw pillows
- on Seat cushions
- on Back cushions  
(where welt is standard)

### Contrast with TRIM ... on standard throw pillows

- add decorative fringe
- add decorative cord  
(tassel trim not included, standard charge noted in the price list will apply)

### Contrast with FINISH ... on all exposed wood

- select any upholstery finish - see page 192 or upholstery price list for options  
(if not specified, standard finish noted in the price list will apply)

### Choose a PILLOW FILL ... on standard throw pillows

- Fiber (100% Polyester Fiberfill)
- Blend Down (50% Polyester Fiberfill / 50% Down and Feathers)
- Luxury Down (95% Feathers / 5% Down)  
(if not specified, standard pillow fill noted in the price list will apply)

### Choose a NAILHEAD FINISH ... where standard on a frame

- change the finish of the standard nailhead  
(standard nailheads may not be removed nor changed to a different size)  
(if not specified, standard finish noted in the price list will apply)

**Your choice ... no charge**

## SOFAS, LOVE SEATS AND SLEEPERS

We believe that creating a room that inspires you is a very personal endeavor. The sofa, whether singular or in pairs, is often the primary fashion statement in a room. It sets the tone for both style and color. Lexington Upholstery offers you an amazing array from which to choose, including the ability to customize a look that is just right for you.

## CHAIRS, SETTEES AND OTTOMANS

If the sofa or sectional is the fashion statement in a room, chairs, settees and ottomans are critical supporting players. They serve to layer complimentary styling, pattern, texture, and color into the overall design, dramatically elevating the sophistication of the presentation.

## Personal Design Series

For those who like to unleash their inner designer, we suggest our Personal Design Series – a program that allows you to build custom upholstery – sofas, love seats, chairs, ottomans and sectionals – that suit your style.

There are two basic profiles. PDS I is a standard frame in terms of scale, while PDS II is more generously proportioned. Both offer the same level of personalization, allowing you to customize the seat and back cushions, arm style, base, welts, trims, pillow fill and the finish on exposed wood items.

Choose from almost 1,000 fabrics in the Lexington Upholstery line, or select your own material to create a one-of-a-kind statement. Personal Design Series is upholstery designed by you ... for you.

# 1 Select Your **Style**

**PDS I:** Standard Size Frame (see page 127 for dimensions)

As shown: 7330-33

**PDS I:**  
Straight Cushion  
7330 Bennett

**PDS I:**  
T-Cushion  
7331 McConnell

or **PDS II:** Oversized Frame (see page 127 for dimensions)

As shown: 7451-33

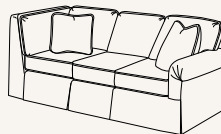

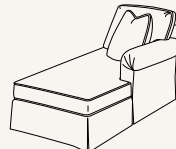

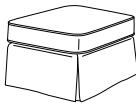

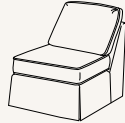

**PDS II:**  
Straight Cushion  
7450 Norwood

**PDS II:**  
T-Cushion  
7451 Overland

For simplicity's sake, the sketches above are of the Bennett frame – with a knife edge back, pleated arm, waterfall skirt and welt. These are provided just as a visual picture of the types of frames. Remember that you have many frame options and will be able to personalize your piece as you continue through the nine steps. Please see page 127 for dimensions on each frame.

### 3 Select Your Seat Configuration

Sofas accommodate 1, 2 or 3 seat cushions, Love Seats 1 or 2. Sectional components maintain standard configurations.

3 Seat Cushions

2 Seat Cushions

1 Seat Cushion

### 4 Select Your Back Configuration

**Boxed Edge**

- 2 backs or 3 backs
- loose or semi-attached backs

**Knife Edge**

- 2 backs or 3 backs
- loose or semi-attached backs

**Bed Pillow**

- 2 backs or 3 backs
- loose backs only

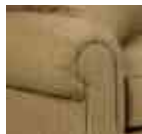

**24" Scatterback Pillows**

- Standard number of scatterback pillows

5 QTY: -33, -63SL, -53LCR/RCR  
4 QTY: -53L/R, -53A  
3 QTY: -22, -52L/R, -52A, -55  
2 QTY: -57L/R, -11, -51L/R, -51CR, -51A  
(Note: Throw Pillows not a standard option)

### 5 Select Your Arm Style

Panel

English

Pleated

Sock

Track

Lengths vary according to the arm style selected. See page 127 for dimensions.

### 6 Select Your Base

10" Kick Pleat

Waterfall

Upholstered\*

Bun Foot\*

Tapered Leg\*

\*Upholstered, Bun Foot and Tapered Leg are standard with a base border.

\*Tapered leg is not available on sleepers

Bun Foot and Tapered Leg come standard in Heirloom Mahogany finish; or refer to the Upholstery price list or page 202 of this catalog for a complete list of finish options that can be applied.

### 7 Select Your Welt

- Self Welt (where standard)
- Contrast Welt (upcharge applies)
- No Welt

### 8 Select Your Nailhead Trim

Add 3/8" Nailhead Trim (#1, #4, #7, #13, #22, #25):

- Panel Arm (inside the welt)
- Upholstered, Bun Foot or Tapered Leg Bases (around the bottom)

### 9 Select Your Final Touches

**final touches**

The Final Touches Program is a collection of options that can be selected to create your custom upholstery at NO CHARGE.

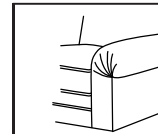

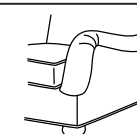

## Overall Dimensions

Lengths vary according to the arm style selected.

## LEATHER CHAIRS, SETTEES AND OTTOMANS

There is nothing more iconic in sophisticated interior design than a classic leather chair. Lexington Upholstery features the classics as well as striking new designs. All showcase the benefits of finely crafted leather as well as dramatic leather and fabric combinations.

## Quick Ship

The Quick Ship Program is a collection of best-selling frames and fabrics, designed to make selecting the perfect setting an easy decision. The offering features sofas, sectionals, chairs and ottomans in fabric or leather correlations that were hand-selected for the frames. When ordering, the item number identifies a specific frame and fabric combination. Due to their popularity, these items are generally in stock at the factory, and ship on an expedited basis.

For those looking to customize the covers on Quick Ship silhouettes, certain frames in the collection are also available in the regular Lexington Upholstery line – in your choice of fabrics, leathers or COM. The frame number will be different, but the style remains the same.

## DETAILS

Creating a room that inspires, involves adding your personal touch. With Lexington Upholstery, beauty and comfort are basic expectations. The personal touch comes with the details. The following pages offer numerous options for customizing your upholstered seating so that each piece becomes a reflection of your personal style. Enjoy!

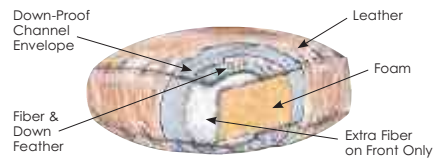

## Cushion Options

Make yourself comfortable with Lexington Home Brands because comfort, like beauty, is ultimately defined by personal preference. That's why Lexington Home Brands offers three different seat cushion options. Please refer to your Lexington Upholstery price list for more details.

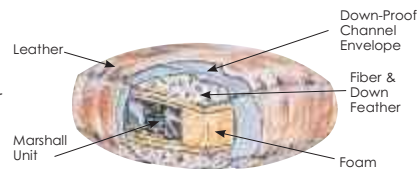

**ULTRA PLUSH** is comprised of a foam core wrapped with either a plush fiber band or an extra soft foam band, and sewn into a synthetic ticking to keep the unit neat and tailored.

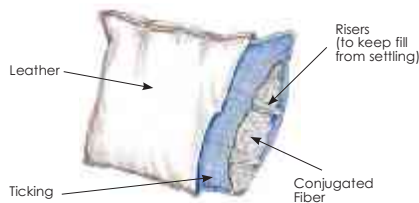

**ULTRA DOWN** is comprised of a foam core wrapped with either a plush fiber band or an extra soft foam band, and sewn into a ticking filled with a luxurious blend of polyester fibers and down/feather mixture. The down-proof ticking is channeled to keep fibers and feathers evenly dispersed.

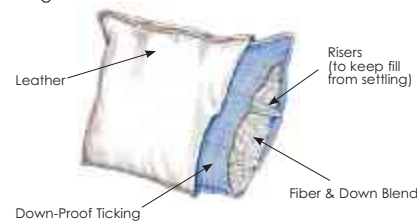

**SPRING DOWN** is comprised of a Marshall spring unit enclosed in a foam core wrapped with a plush fiber band. This is then sewn into a ticking filled with a luxurious blend of polyester fibers and down/feather mixture. The down-proof ticking is channeled to keep fibers and feathers evenly dispersed.

**FIBER BACK** is a Polyester Fiberfill Back enclosed in cotton ticking.

**BLEND DOWN BACK** is a combination of polyester fibers and gray duck down/feathers enclosed in down-proof ticking.

## Pillow Options

Here's a great way to add unique personal style to your decor. We offer throw pillows in a variety of contrasting fabrics, welts, fringes, flanges, and other decorative trim options. We even offer three different fill options to meet your lifestyle needs. Please refer to your Lexington Upholstery price list for more details.

### Specialty Pillows

### Square Pillows

### Rectangular Pillows

## Finish Options

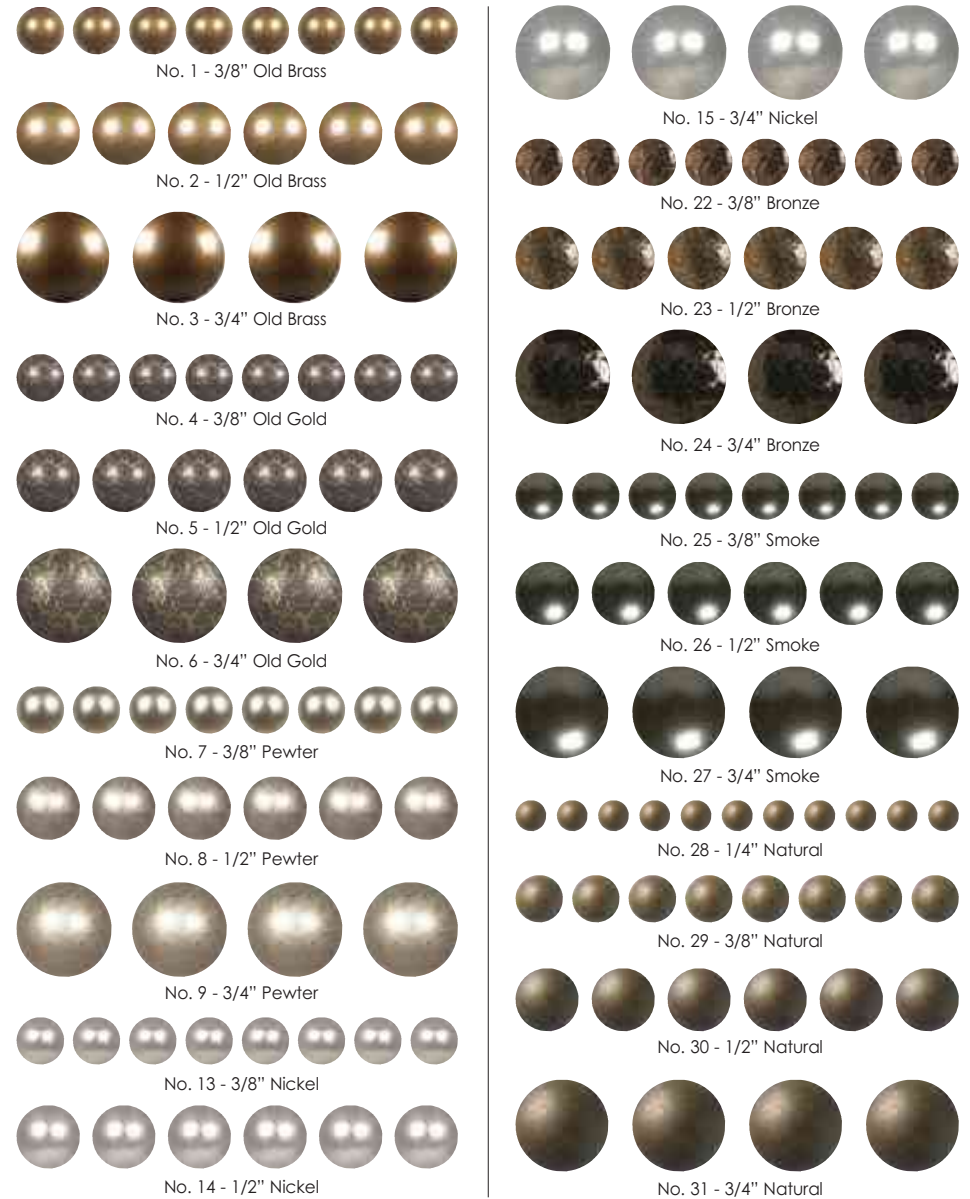

For frames featuring exposed wood, Lexington offers a variety of finishes to complement other Lexington wood products. These finishes are available at no charge on applicable frames.

In our printed material, we strive to provide an accurate representation of our finishes; however, due to changes in lighting and printing limitations, some color variation is possible. To determine the exact color of a finish we suggest that you examine the actual product at your Lexington Home Brands retailer. To locate your nearest dealer of fine Lexington products, please call 800-539-4636.

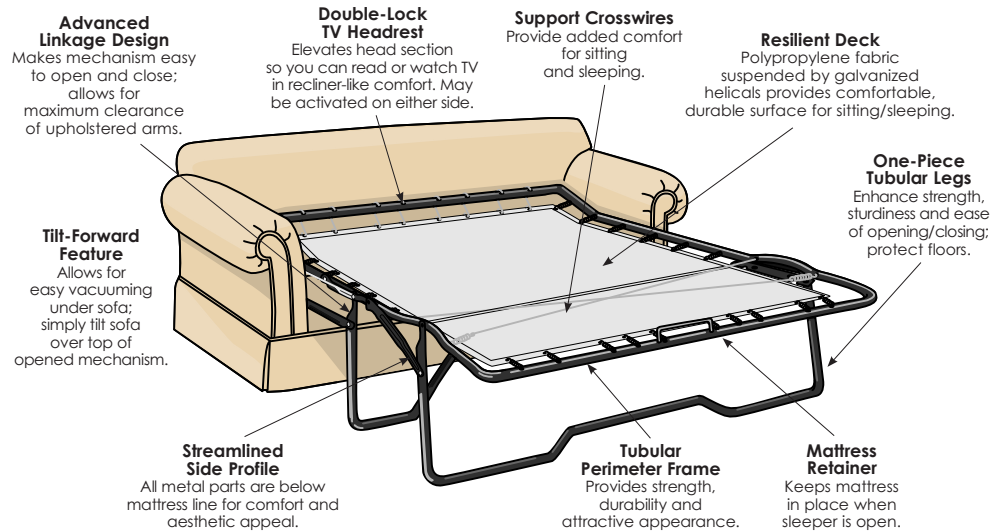

## Nailhead Trim Options

Nailheads shown at actual size. Please refer to your Lexington Upholstery price list for more details.

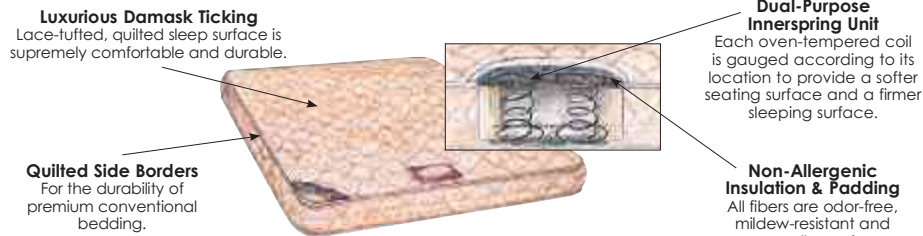

## Sleeper Features

## MATTRESS BENEFITS

## THE ULTIMATE COMFORT UPGRADE: AIRDREAM

*AirDream™*  
Sofa Sleeper System  
Air Over Coil Technology

- Adds an element of comfort unavailable until now in sleep sofas
- Air over coil sleep surface technology inflates in 45 seconds; deflates in less than 30 seconds
- Comes equipped with a lightweight, handheld, U.L. approved electric inflation pump
- Fits standard sleeper mechanism
- Gives the same appearance, dimensions and feel as a standard luxury mattress
- Accommodates standard sheet sizes

## Fabric Cleaning Codes and Instructions

Upholstery fabrics are classified into one of the following four categories. Our current fabric list and fabric samples are marked with these codes. These cleaning methods are suggested by the fabric manufacturer. Lexington Home Brands does not accept any responsibility in the event of failure of any of these methods.

### W RECOMMENDED CLEANING INSTRUCTIONS

Clean only with water-based shampoo or foam upholstery cleaner. Do not over wet. Do not use solvents to spot clean. Pile fabrics may require brushing to restore appearance.

### S RECOMMENDED CLEANING INSTRUCTIONS

Clean only with dry-cleaning solvent. Do not saturate. Do not use water. Pile fabrics may require brushing to restore appearance.

### SW RECOMMENDED CLEANING INSTRUCTIONS

Clean with shampoo or dry-cleaning solvents as desired. Do not saturate with liquid. Pile fabrics may require brushing to restore appearance.

### X RECOMMENDED CLEANING INSTRUCTIONS

Do not clean with either water or solvent base cleaner, use vacuuming or light brushing only.

**CAUTION:** Never remove cushion covers for separate dry cleaning or washing, even though they do have zippers. Do not use bleach or any tumble method cleaning service as this may destroy the Backing of the fabrics, shrink or otherwise damage the upholstery fabric.

**CONSUMER ALERT:** Keep your furniture and family safe from fires caused by careless smoking. Do not smoke when drowsy. Remove immediately any glowing ember or lighted cigarette which falls on furniture. Smoldering smoking materials can cause upholstered furniture fires.

## FABRIC TREATMENTS

A two year study by the Joint Industry Fabric Standard Committee indicates that retailer applied fabric treatments (soil shield, scotchgard, teflon spray, etc.) contribute to pilling, stretching of fabric, deterioration of fabric, deterioration of fabric Backing, fading, and seam slippage. The following points explain the policy of Lexington Home Brands regarding the use of retailer applied fabric treatments.

Any type of retailer applied fabric treatment shall void any fabric warranty, written or implied, regardless of time in use.

Any claims involving a fabric treated with a retailer applied fabric treatment must be filed with the supplier of the treatment. Lexington Home Brands has no recourse with fabric mills once these fabric treatments have been applied.

In cases where the use of retailer applied fabric treatment is suspected, a seat cushion casing will be tested before a replacement is issued or a repair is authorized.

## A Guide To Nature's Richest Fabric

Leather is sumptuous, but unlike most sumptuous things, it's also very practical. It is the strongest, most durable upholstery material known. Lexington Home Brands' top quality leather keeps its shape and buttery softness forever. And nature's most durable fabric resists punctures, tears and burns.

Because it's a natural material, leather "breathes." It is cool in the summer and warm in the winter.

Like a fine wine, leather improves with age. Over the years it will become softer and more supple, acquiring a rich patina to add to its own individual character; that includes scars, scratches, and other character marks. These marks testify to leather's authenticity. Even color inconsistencies, due to variations in skin structure, are completely natural.

 <p><b>Grain</b> Much like human fingerprints, the natural grain makes each hide unique.</p>	 <p><b>Backbone Markings</b> Years of being stretched across the animal's back develops the hide's individual character and leaves a spine-shaped furrow.</p>	 <p><b>Neck and Shoulder Creases</b> The animal's natural range of motion is reflected in the hide's elongated wrinkles.</p>
 <p><b>Stretch Marks</b> During calving, the skin must stretch to accommodate the new calf, often leaving stretch marks in the hide.</p>	 <p><b>Scars and Scratches</b> Barbed wire, trees and bushes all leave their marks on a free-roaming animal.</p>	 <p><b>Insect Bites</b> The animal's lifelong encounters with the insect world are recorded as tiny imperfections.</p>

## Leather Classifications MAKING THE BEST CHOICE FOR YOUR LIFESTYLE

All leathers are not created equal. Different types of hides, tanning methods and finishes mean wide variations in quality. At Lexington Home Brands, we start with only the best leathers for your furniture. They may be pleated, shirred or softly draped—styling traditionally seen only with fabric.

We know that individual lifestyles have differing needs and preferences. That's why we offer three categories of leather. Each has different properties, yet each is top quality. Choose yours depending on your particular taste and lifestyle.

**Aniline Leathers** Aniline refers to the mild process through which the leather is dyed. These are the most natural of Lexington's leathers. Much like human skin, leather possesses wrinkles, scars and scratches which shine through the aniline's translucent dye.

Because structures of the skin vary, the hides absorb dye unevenly, creating significant variations in color—variations which add to each hide's beauty and uniqueness. Because the dyes are so light, aniline hides have a soft, supple feeling, or "hand." Aniline leathers may not be appropriate for homes with small children or pets.

**Protected Leathers** Protected leathers offer the most worry-free maintenance of all. Most are dyed in a process similar to painting, which hides some of the leather's natural characteristics. You are assured of more consistent overall color, as well as increased durability for high energy family settings and heavy traffic business environments. These leathers are resistant to liquids, stains and fading.

Some protected leathers may be aniline dyed (see Aniline Leathers, above), then top coated for extra protection. These protected leathers will maintain their natural scars, wrinkles, scratches and other markings while offering almost worry-free durability.

**Nubuck Leathers** Nubuck leathers from Lexington Home Brands are valued for their unique texture, which has been compared to both silk and velvet. Nubucks begin as aniline leathers, with natural wrinkles, scars and scratches showing through a translucent, irregularly colored surface.

The hides are then machined with fine brushes to create the famous Nubuck hand. This treatment also adds a depth of color and shading not found in other leathers. To maintain the luxurious hand, no protective top coat is applied. Therefore, Nubuck leathers may not be appropriate for homes with small children or pets.

## Leather Care

### GENERAL MAINTENANCE

- **Sunlight** — To prevent drying and fading, keep leather furniture away from sunlight.
- **Heat** — To prevent leather from drying out over time, maintain at least two feet of space between leather furniture and heating sources such as vents or radiators.
- **Dust** — To remove accumulated surface dust from your furniture, vacuum or wipe with a clean white cloth on a weekly basis.
- **Stains** — To minimize oil, butter, or grease stains, absorb any excess with a clean, dry cloth. Then leave it alone. If the darkened area doesn't dissipate completely, it will become part of the leather's unique character.
- **Cleaning Products** — Never use saddle soaps, cleaning solvents, furniture polish, oils, varnish, abrasive cleaners, detergents or ammonia on upholstered leather. It has been permanently preserved during the tanning process, and requires only very simple cleaning.

## Leather Cleaning Codes and Instructions

Leathers are classified into one of the following three categories. Our current leather list and leather swatches are marked with these codes. These cleaning methods are suggested by the manufacturer. Lexington Home Brands does not accept any responsibility in the event of failure of any of these methods.

**CLEANING CODE "A"** — Aniline leathers wear well, but are susceptible to staining. They will fade over the years if exposed to direct sunlight. For treatment of oily spills, see "General Maintenance," above. For non-oil-based spills, blot immediately with a dry, soft, white cloth. If the spill has penetrated the leather, dampen the cloth with lukewarm distilled water and gently massage the stain and surrounding area. Allow it to air dry.

**CLEANING CODE "P"** — Protected leathers are easy to clean. For treatment of oily spills, see "General Maintenance," above. For non-oil-based spills, blot immediately with a dry, soft, white cloth. If the spill has penetrated the leather, dampen the cloth with distilled water and gently massage the stain and surrounding area. Gently blot dry with a clean white cloth. Allow it to air dry.

**CLEANING CODE "N"** — Nubuck leathers wear well, but they are the most difficult to clean. To maintain the luxurious "hand," no protective top coat is applied. To keep Nubuck leathers looking fresh and new, periodically "fluff" the surface with a suede brush. For treatment of oily spills, see "General Maintenance," above. Non-oil-based spills may be removed by gently blotting with a clean white cloth, dampened with distilled water, if necessary. Allow leather to air dry and use a suede brush to restore the soft nap.

For additional protection over the years, we recommend the cleaning and protection products made by Leather Master.

For more information, call Uniters for Leather Master® Products at 1-888-825-6551

## Express Limited Warranty

### Scope

This Express Limited Warranty applies to Lexington Home Brands ("Lexington") case goods and upholstered furniture products that have been purchased from a factory-authorized dealer. This includes products manufactured or marketed under the Lexington brand as well as all licensed brands manufactured or marketed by Lexington. Rights under this warranty apply only to the original purchaser and must be pursued through the authorized dealer of original purchase.

Under the terms of this limited warranty, Lexington may repair the item, replace the item, or offer an allowance for the original consumer to retain the item in "as-is" condition. Such choice of repair, replacement, or allowance is strictly at the sole discretion of Lexington.

### Implied Warranties

This warranty is the only warranty provided by Lexington. The warranties and remedies set forth herein are exclusive, and are in lieu of all other warranties and remedies, whether statutory, express or implied. No employee, representative, agent, dealer or any other person has the authority to assume or incur on behalf of Lexington any obligation or liability in place of, or addition to this warranty.

LEXINGTON EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY AND ANY IMPLIED WARRANTY THAT THE GOODS ARE FIT FOR ANY PARTICULAR PURPOSE.

Lexington assumes no responsibility for incidental or consequential damages or limitations on how long implied warranties last. Some states do not allow the exclusion or limitation of incidental or consequential damages, so this limitation may not apply to you. This warranty gives you specific legal rights and you may have other rights which may vary from state to state.

### General Limitations

This warranty is voided if the product is modified or altered in any way after shipment from Lexington. This warranty is voided if any treatment or product is applied to the product after the original factory packing has been opened. Lexington reserves the right to modify the product from its form shown on showroom floors or in catalogs. Such modifications are not considered defects under this warranty. Freight or handling damages are not considered defects under this warranty. Such claims should be filed with the freight carrier.

This warranty applies under conditions of normal residential usage. It does not apply to defects or damage resulting from negligence, abuse or misuse – including but not limited to inadequate or improper maintenance, exposure to water, salt air, chemicals, accidents, any use for which the product was not designed, or commercial use (including rental, business, commercial, institutional or any non-residential use), nor does it cover ordinary wear-and-tear.

Because of the natural materials used in the manufacturing process, and the fact that the product is generally handmade, minor variations will occur from piece to piece. These are not considered defects under this warranty. Stone and marble contain vein-lines, hairline fissures, pores and color variations that are natural characteristics and are not considered defects under this warranty.

Sunlight will cause wood, finishing materials, and fabrics to change color – these changes are not considered defects under this warranty. Extremes in temperature and humidity can cause both wood and finishing materials to shrink, swell, warp, split, and glue seams to fail. These damages are not considered defects under this warranty. Direct contact with rubber and some types of plastic materials may damage the finish. Such damage is not considered a defect under this warranty.

Direct contact with petrochemical products, (nail polish remover, alcohol, etc.) will damage the finish – such damage is not considered a defect under this warranty.

Woven materials, including but not limited to wicker, sea grass, and other similar materials are comprised of individual strands that can move, causing unfinished areas to show under the strands or the finish to slightly peel where it bridges between strands. These characteristics are not considered defects under this warranty.

Lexington products are not designed for outdoor use. There may be images in catalogs that showcase items in an outdoor setting. This is for creative purposes only, and not an indication that the product is suitable for outdoor use. Damage due to exposure to outdoor elements is not considered a defect under this warranty.

Neither this nor any other warranty, express or implied, is offered by Lexington for any electrical devices, including but not limited to lighting fixtures, surge protectors, or computer, electronic or multi-media management devices that may be included with your Lexington product.

## Express Limited Warranty (cont.)

### CASE GOODS PRODUCTS - Specific Provisions

Case Goods – Limited One (1) Year Warranty  
Subject to the General Limitations contained herein, Lexington warrants the products covered by this warranty to be free from defects in material and workmanship for a term of one (1) year from the date of purchase by the original purchaser.

### UPHOLSTERED PRODUCTS - Specific Provisions

Frame – Limited Lifetime Warranty  
Subject to the General Limitations contained herein, the upholstery frame is warranted by Lexington against defects in materials and workmanship for the life of the product to the original purchaser, as long as it remains upholstered in the original fabric or leather, and is used under normal wear and normal conditions.

### Spring System – Limited Lifetime Warranty

Subject to the General Limitations contained herein, the spring system in the upholstery frame is warranted by Lexington against defects in materials and workmanship for the life of the product to the original purchaser, as long as it remains upholstered in the original fabric or leather, and is used under normal wear and normal conditions.

### Cushions – Limited Five (5) Year Warranty

Lexington uses premium high-resiliency cushioning materials in all its cushion constructions. Subject to the General Limitations contained herein, cushions are warranted by Lexington against the abnormal loss of resiliency for five (5) years from the date of purchase by the original purchaser, as long as the cushion is used under normal wear and normal conditions. Abnormal wear and loss of resiliency should not be confused with flattening of the foam and fibers, which are considered normal wear and are not considered defects under this warranty.

### Motion Mechanisms –

Limited Three (3) Year Warranty  
Subject to the General Limitations contained herein, motion mechanisms, including mechanisms for swivel chairs, swivel rockers, desk chairs, reclining chairs and sleep sofas are warranted to be free from defects in workmanship, materials and construction for three (3) years from the date of purchase by the original purchaser, as long as the upholstered furniture is used under normal wear and normal conditions.

### Fabric and Leather –

Limited One (1) Year Warranty  
Subject to the General Limitations contained herein, fabric and leather coverings, (excluding Customer's Own Material), are warranted to be free of manufacturing defects for one (1) year from the date of purchase by the original purchaser against seam slippage, mis-weaves, breakdown, shrinkage, loss of nap, and dye transfer as long as the upholstered furniture is used under normal wear and normal conditions.

### Warranty Claims

Claims must be made through the dealer where the furniture was originally purchased. If the original dealer is not accessible, please contact Lexington directly for assistance at 1300 National Highway, Thomasville, NC 27360, Attn: Consumer Services or at [info@lexington.com](mailto:info@lexington.com). All claims for warranty service must be made in writing, and accompanied by your name, address, phone number, your original proof of purchase (original dated sales receipt), appropriate documentation confirming date of delivery and a brief description of the defect. In order to determine if a defect exists and how to best arrange repair, replacement or allowance, Lexington may require photographs of the defect or a personal inspection by a Lexington representative. Lexington will not be responsible for transportation, shipping or packing charges without prior written approval by a Lexington Consumer Services Manager.

### Contact Us

If you have any questions concerning this warranty, please contact:  
Lexington Home Brands, 1300 National Highway, Thomasville, NC 27360, Attn: Consumer Services, or by phone at 336-474-5300, option 2.  
For e-mail correspondence, the address is [info@lexington.com](mailto:info@lexington.com)
